TERMS OF SERVICE

LearnArmenia

Effective Date: 19.10.2026

1. Introduction

Welcome to LearnArmenia ("Service", "Platform", "we", "us", "our").

LearnArmenia is an online digital platform providing access to Armenian language learning materials, exercises, training tools, audio content, and related digital educational resources (the "Digital Content").

The Service is operated by **Private Entrepreneur Ilia Konovalov**, TIN 72988616, Republic of Armenia (the "Seller"). References to "LearnArmenia", "we", "us", and "our" in these Terms mean the Seller.

By accessing or using the Service, you agree to be legally bound by these Terms of Service ("Terms"). If you do not agree, you must not use the Service.

The Service is intended for personal use and is available to users in the Republic of Armenia and in other countries where it can lawfully be provided.

2. Nature of the Service

2.1 LearnArmenia provides self-study access to digital educational content for learning Eastern Armenian.

2.2 The Service does not constitute formal education, accredited instruction, certification, or licensed educational services.

2.3 Access to Digital Content is granted for personal, non-commercial use only.

2.4 The core Service is available free of charge. Additional features are available for a fee as LearnArmenia Pro, as described in Section 10.

3. Eligibility

We reserve the right to suspend or restrict accounts if these requirements are not met.

3.1 You must be at least 14 years old to use the Service.

3.2 If you are under 18 years old, you confirm that you have permission from a parent or legal guardian.

3.3 By registering, signing in, or otherwise using the Service, you represent that you meet these requirements.

4. Accounts, Registration, and Sign-In

We may suspend or terminate accounts at our sole discretion, including in cases of abuse, fraud, or breach of these Terms.

4.1 To access certain features, you must create an account or sign in through an available authentication method.

4.2 You may register using email and password, or sign in with Google Sign-In or Sign in with Apple where available.

4.3 When creating a profile, LearnArmenia may ask for an email address, password, and nickname. A nickname is used instead of requiring your legal or real name for ordinary use of the Service.

4.4 If you choose Google Sign-In or Sign in with Apple, you authorize us to receive the authentication data needed to verify your identity and create or access your LearnArmenia account.

4.5 You agree to provide accurate information and to keep it reasonably up to date.

4.6 You are responsible for maintaining the confidentiality of your login credentials and for the security of any third-party account used to sign in.

5. Security, Cloudflare, and Abuse Prevention

To deliver, secure, and protect the Service, traffic to LearnArmenia may pass through Cloudflare proxy and security infrastructure.

Certain forms, registration steps, sign-in flows, password recovery actions, or other sensitive operations may require Cloudflare Turnstile or similar automated abuse-prevention checks. As part of this verification, your IP address may be transmitted to Cloudflare together with the security token.

You must not bypass, interfere with, automate around, or otherwise attempt to defeat technical protection measures, rate limits, anti-bot checks, or other security controls used by the Service.

6. Acceptable Use

You agree not to:

6.1 use the Service unlawfully or in violation of applicable law;

6.2 hack, probe, overload, disrupt, reverse engineer, or otherwise interfere with the Platform;

6.3 use bots, scraping tools, scripts, or other automation except where expressly permitted by us;

6.4 share account access with third parties;

6.5 attempt to access content, accounts, or infrastructure you are not authorized to access;

6.6 use the Service for commercial redistribution, training resale, or other commercial exploitation;

6.7 artificially inflate leaderboard points or places, for example through multiple accounts, automation, or answering in bad faith;

6.8 show on the leaderboard a nickname that is offensive, obscene, discriminatory, advertises anything, contains contact details or links, or impersonates another person or LearnArmenia.

Violation may result in immediate restriction or termination of access without prior notice. Where the leaderboard is available, any user can report a nickname shown on it. We review reports and may hide a nickname automatically after several reports, remove a nickname from the leaderboard permanently, or exclude an account from the leaderboard, including for violations of 6.7 and 6.8.

7. Intellectual Property

All Digital Content, exercises, lesson structures, audio materials, text, graphics, datasets, algorithms, rankings, and training systems made available through the Service are owned by LearnArmenia or used with permission and are protected by applicable intellectual property laws.

You may not, except where expressly permitted by law:

7.1 copy or reproduce the Digital Content;

7.2 distribute, republish, sell, sublicense, or commercially exploit the content;

7.3 modify, translate, adapt, or create derivative works from protected materials;

7.4 share account access or paid-for access rights, including LearnArmenia Pro.

Access is granted only as a limited, revocable, non-transferable, non-exclusive license for personal use.

8. AI-Assisted and Third-Party Services

Some materials, examples, or supporting content may be created or assisted by artificial intelligence technologies. We do not guarantee absolute accuracy,

completeness, or linguistic perfection of all materials, and the Service is provided for informational and training purposes only.

The Service may rely on third-party services and infrastructure, including Google and Apple for optional sign-in, Cloudflare for traffic delivery, proxying, and abuse prevention, ACBA Bank for card payments on the website, and Google Play, the Apple App Store, and RevenueCat for purchases in the mobile applications. Your use of those integrations may also be subject to the third parties' own terms and privacy practices.

9. Service Availability

9.1 The Service is provided "as is" and "as available".

9.2 We do not guarantee uninterrupted, secure, or error-free operation at all times.

9.3 We may modify, suspend, or discontinue all or any part of the Service at any time without liability.

10. LearnArmenia Pro, Prices, and Payment

10.1 **What you buy.** LearnArmenia Pro ("Pro") is paid access to additional features of the Service, either for a fixed period (one month or one year) or as lifetime access. Lifetime access lasts for as long as LearnArmenia provides Pro and is not tied to a calendar period. The features included in Pro, the available periods, and their prices are shown on the website before payment.

10.2 **Prices and currency.** Prices on the website are stated in US dollars (USD) and are final; the payment is charged in the currency shown at checkout. The price that applies is the one shown at the moment you confirm the payment. If your card is issued in another currency, your bank converts the amount at its own rate and may charge its own fees.

10.3 **Payment on the website.** Payments on the website are accepted by bank card (ArCa, Visa, Mastercard, American Express) through the secure payment page of ACBA Bank OJSC. Card details are entered on the bank's page, are protected with 3-D Secure where your card supports it, and are never received or stored by LearnArmenia.

10.4 **No automatic renewal.** A purchase on the website is a one-time payment for the chosen period. It does not renew automatically and no further payments are taken from your card. When the period ends, your account returns to the free plan; your learning progress is kept.

10.5 **Delivery.** Pro is a digital service; nothing is shipped. Access is granted to your account automatically after the bank confirms the payment. The full terms are set out in our Delivery Policy.

10.6 **Refunds.** Refunds for payments made on the website are governed by our Refund Policy, which forms part of these Terms. If we permanently discontinue Pro, or terminate your account for reasons other than your breach of these Terms, we refund the unused part of the paid period. Before disputing a payment with your bank, please contact us at help@learnarmenia.com — most issues are resolved faster that way.

10.7 **Purchases in the mobile applications.** In the Android and iOS applications, Pro is sold through Google Play or the Apple App Store. Those purchases, their renewal, cancellation, and refunds are governed by the rules of the respective store, not by Sections 10.2–10.6.

10.8 **Account.** Pro is linked to the LearnArmenia account you are signed in to when you pay. You must be signed in to buy Pro on the website.

11. Limitation of Liability

To the maximum extent permitted by Armenian law:

11.1 we are not liable for indirect, incidental, special, or consequential damages;

11.2 we are not liable for loss of data, loss of profits, loss of access, or educational outcomes;

11.3 where liability cannot be excluded, our total liability will not exceed the amount, if any, paid by you to LearnArmenia during the 3 months preceding the event giving rise to the claim.

Your use of the Service is at your own risk.

12. Termination

We may terminate, suspend, or restrict access to the Service at any time, with or without notice, including where we reasonably believe there has been misuse, fraudulent activity, or a breach of these Terms.

You may stop using the Service at any time.

13. Privacy and Data Handling

Your use of the Service is also governed by our Privacy Policy.

LearnArmenia uses a nickname-based profile model. We do not require your real or legal name for ordinary use of the learning platform.

LearnArmenia does not intentionally maintain IP addresses as part of user profiles, learner progress, or ordinary account records. However, technical connection data, including IP addresses, may be processed by infrastructure and security providers, including Cloudflare proxy services, Cloudflare Turnstile, hosting providers, or Google authentication services, when this is necessary to deliver, secure, or authenticate access to the Service.

14. Governing Law and Disputes

These Terms are governed by the laws of the Republic of Armenia. We will try to resolve any dispute through negotiation first; please write to us and we will reply within 10 business days. Disputes that cannot be resolved this way are settled by the competent courts of the Republic of Armenia. Nothing in these Terms limits the rights you have as a consumer under the law that applies to you.

15. Changes to These Terms

We may update these Terms when the Service, prices, or legal requirements change. The updated version applies from the effective date shown above. A change never affects a Pro period you have already paid for.
